## FATHER/SON RETREAT April 6-8

Special Speaker **John Katsion**—John has a passion for preaching and for making the Bible come alive through telling the stories of the Bible as just that, a story. His story-telling approach to preaching is unique in that it seeks to preserve the narrative form that much

of scripture was written in, while still conveying its powerful life-changing message. John has been teaching at the University level for over 25 years & is currently an Associate Professor of Communication Studies at Northwest Missouri State University, in Maryville, MO. Dr. Katsion taught at Multnomah University in Portland, OR, for four years, and Hannibal-LaGrange University in Hannibal, MO, for seven years.

He has been married for over 25 years to his beautiful wife,

Peggy, and they have three boys (Jacob, Lincoln, and Elijah) and a dog named Eddie. He likes watching movies, playing board and video games with his family, playing golf, and following the Chicago Bears and the Nebraska Cornhuskers, both of which are bad right now. He was born in Omaha, NE, but then grew up as a missionary kid in Jamaica, then England. John has his Ph.D. from Regent University, Virginia Beach, VA in Communication Studies and is an active member of Laura Street Baptist Church in Maryville, MO, where he works with the middle school youth ministry and leads a newlyweds' Sunday school class.

## MOTHER/DAUGHTER RETREAT May 11-13

Special Speaker **Diane Norman**—Diane is excited to share her passion for moms, daughters, and granddaughters, and the unique relationship that they all share. Her stories will reflect around her life of service as a wife, mom, grandma & missionary, the ups and downs of life, and the Creator's faithfulness in the midst of it all. This Minnesota farm girl met a dashing city boy

when she went off to the big city for nurses training. She was swept off her feet and spent the next 47 years living in a metropolis. For 32 of those years Diane and her husband have been missionaries to the First Nations people of the Pacific Northwest. Now, approaching retirement, she and her husband are looking forward to returning to country life and spending more time with their three children, their spouses, and 11 awesome grandchildren who are spread throughout Washington, Texas and Nicaragua!

## NOTE TO MOM OR DAD

Trout Creek Bible Camp is an inter denominational, independent Christian organization. We are located 28 miles east of Portland situated on 263 acres of beautiful wooded land. We offer summer programs for campers from grades 2-12, as well as a Family Camp for all ages. Our campers participate in a wide variety of activities including swimming, go karts, paintball, zip line, mountain bikes, climbing wall, disc golf, hiking, crafts, various activity clubs, and many exciting group games, along with Bible Studies and Chapel.

Campers will be under the guidance of a well-screened, thoroughly-trained counselor during their stay at Trout Creek. It is our desire to provide your child with a camping experience that is exciting, fun, and most importantly, one that challenges and encourages them to have a relationship with Jesus Christ.

After summer is over, it is our desire to provide encouragement to any camper who made a spiritual decision while at camp. Therefore, we may share limited information with local churches regarding decisions made. If you do not want us to share this information, please notify the camp office.

Our purpose is to use an outdoor environment and our facilities for evangelism and discipleship, focusing primarily on children and youth through Christ-centered relationships and fun activities.

All are welcome at Trout Creek Bible Camp regardless of race, color, national origin, gender, or religion.

Greatest time of my life and amazing food.

My boys just got home yesterday from their first ever camp. They both had a blast and can't wait to do it again next year. Very organized and a wonderful camp for all ages!!

This was my daughter's first year here and she didn't want to leave. She loved it more than her social media and is already planning her stay next year!!!

Thank you TCBC for taking such good care of our daughter and giving her memories to last a lifetime! About 20 minutes after leaving she was asking to sign up for next year.

My kids went for the first time. The stories they told me, the adventures, the fun counselors, even the food, sounded amazing. I wish I was a kid! Thank you TCBC! We will definitely be back next summer!

The counselors, the venue, the activities are fantastic!
